Our Story

The Mandara experience began on the spiritual island of Bali, inspired by the beautiful tradition of healing touches which is deeply immersed within the culture and passed on from mother to daughter from generation to generation.

These time-honored therapies, combined with European methods and natural elements indigenous to the spa's region, meld together to provide the most unique and indulgent spa treatments.

The name Mandara comes from a Sanskrit legend about the gods' quest to find the secret to eternal youth and beauty. We believe you will unlock the secret when you experience a timeless Mandara moment.

Here, time stands perfectly still.

Massage Rituals

Every massage begins with an Aroma Reflex Foot Ritual, a symbolic cleansing process to wash away the world and a divine foot massage to prepare you for total relaxation.

MANDARA MASSAGE

Not to be missed, never to be forgotten. Our signature massage, performed by two therapists working together, is a unique blend of five different massage styles — Shiatsu, Thai, Hawaiian Lomi Lomi, Swedish and Balinese. The synchronisation of the two therapists makes this massage a sublime experience.

1 hr 35 mins / 21.200

1 hr 5 mins / 15.700

BALINESE MASSAGE

Our most relaxing massage, harnessing the therapeutic properties of 100% pure essential oils. Used for centuries to renew, strengthen and heal both body and mind, this traditional therapy combines stretching, long strokes, skin rolling and palm and thumb pressure techniques to relieve tension, improve blood flow, ease stress and calm the mind. It also helps to improve the circulatory, lymphatic, muscular and nervous systems. For recovery from jet lag, we recommend our Tranquility massage oil blend.

1 hr 35 mins / 18.200

1 hr 5 mins / 13.500

TENSION RELIEF MASSAGE

Slow, deep massage strokes deliver pressure to the inner layers of muscles and connective tissue to ease tightly-held tension. It relieves chronic pain by speeding up the blood circulation and thus delivers fresh oxygen and nutrients to the muscles to help them repair and improve their condition.

1 hr 35 mins / 18.000

WARM STONE MASSAGE

The healing power of touch combines with the energy of the earth in this relaxing, muscle-melting massage. Smooth, warmed rocks glide across the body in long, flowing strokes. The heat helps to relax the muscles and has a soothing effect on your emotions. Simultaneously, rocks are placed on the body's various energy points to encourage the body's healing potential.

1 hr 5 mins / 13.500

ASIAN HEAD MASSAGE

This shoulder, neck, upper back, arm and scalp massage is based on the ancient healing of Ayurveda. A Thai poultice filled with exotic leaves, flowers, and lime, essential oil is dipped in warm coconut oil and used on the scalp, for scalp and haircare as well as complete relaxation. Deep thumb and finger pressure, friction, and soothing strokes help to reduce tension, improve circulation and flush out physical and emotional toxins.

1 hr 5 mins / 10.000

FANCY FOOT-WORK

The most blissful ride your feet will ever take you on. It's like reflexology without the 'ouch'. Based on the same therapeutic principles of its ancient ancestor, this foot massage will help to release toxins and restore your body's energy flow. And it feels like bliss at its celestial best.

1 hr 5 mins / 10.000

EXPRESS MASSAGE*
